Read the passage carefully.

Answer the questions that follow.

Your answer must be based on the passage.

We have a big garden in our school. Many pupils like to go there during recess. There are trees, plants and flowers in the garden. Many small animals and insects can be found there. Some pupils like to look at the rabbits in the hutch. Other pupils like to feed the chickens. They should not do this because it will make the chickens sick from eating too much.

We can also see ants, snails, beetles and grasshoppers in the garden. There is a small pond in it. There are some water plants, frogs and fish in the pond. Bees and butterflies like to fly among the colourful flowers where they collect nectar which bees make into honey.

36. Where do the pupils like to go during recess?

They like to go to the _____

37. What animals are kept in the hutch?
