Section F: Comprehension - MCQ (5 x 2 marks)

Read the passage carefully.

Some animals are special. They can live on land and in water. The frog is one such animal. On land, it can jump very far because of its long and strong hind legs. In water, it can swim very fast with its strong legs and webbed feet.

A frog eats insects. It uses its tongue to catch insects. When a mosquito flies past, it will shoot out its long and sticky tongue to trap it.

A female frog lays its eggs in a pond. It lays many eggs each time. The eggs are small and are covered by a layer of sticky jelly to protect them from their enemies. The eggs will hatch into tadpoles. Tadpoles can swim too but they cannot live on land. They are like small fishes. It takes a few weeks for a tadpole to grow into a frog.

Bobby, the puppy, was chasing dragonflies when he lost sight of his mother. He went to a pond to look for her. He saw Mother Duck and her ducklings waddling in the pond.

"Where is my mother?" shouted Bobby. "Have you seen my mother?"

"No," said Mother Duck. Her two ducklings shook their heads.

"I saw your mother," said a swan by the pond.

"Where did you see my mother? Oh, I want my mother! Can you please tell me where she is?" asked Bobby. The swan pointed to a tree.

"Your mother is behind that tree!" said the swan. Bobby went quickly to the tree and saw his mother. He cried out for joy.

Your answers must be based on the passage.

ALL ANSWERS MUST BE IN COMPLETE SENTENCES.
