Jerry was a chubby little mouse who loved to eat cheese. One day, he ran into Mr Johnson's house to look for an afternoon snack. On a table, he saw a box. Jerry climbed up and took a peek.

Jerry's eyes lit up with delight. There was enough food 5
there to last him for a month. He nibbled into a pack of
cheese and started breaking it up into bits.

Unknowingly, a large grey cat was watching Jerry from
the floor. He had a plan. He was going to wait until the
mouse was full. Then, he would catch him and gobble him 10
up.

"I think I'll get a drink of water and then head back to
my mouse hole," Jerry mumbled sleepily to himself.

After drinking, Jerry patted his tummy and started to

climb out of the sink. However, he was too full and too fat 15
to get back out.

Suddenly, Jerry looked up and saw a large cat looking
down at him. He started running around in circles in the
sink, hoping to confuse the cat. With no other choice,
Jerry ran into the drainage pipe and crept away. Since 20
then, he never went to the kitchen ever again.
