The most enjoyable celebration that Tan Lee Ming had last year was Christmas. Lee Ming and his family were celebrating Christmas for the first time.

Two weeks before 25 December, Lee Ming and his family bought their first Christmas tree. Lee Ming helped to put up a lot of decorations on the tree.

On Christmas morning, Lee Ming's family attended church and sang a number of carols. 5

Shortly after, the whole family went home to prepare for the party at night. Mrs Tan was busy cooking and baking all the food in the kitchen while Mr Tan, Lee Ming and his younger sister were arranging the furniture for the party.

During dinner that night, relatives and friends gathered at Lee Ming's house for a magnificent feast. They sat around the dining table. There were roast turkey, ham, log cake and many other delicious food. Everyone enjoyed the sumptuous dinner and many praised Mrs ^{Tan's} ~~Lee's~~ culinary skills. 10

The best part of Christmas was gift exchange. Lee Ming enjoyed that most. Everyone started to move around the house to present gifts to one another. It was really a time of giving and sharing. The party ended with everyone singing Christmas carols together. Lee Ming would be looking forward to the Christmas party the following year. 15
